PLEASE COMPLETE YOUR ORDER ON THE REVERSE SIDE OF THIS FORM.

Dear Members and Guests,

Welcome to our 10th Annual All Vintner Pour, 2014. Our Vintner Members have made more of their wines available at the best pricing in the marketplace. This is a great opportunity to fill your lockers and cellars!

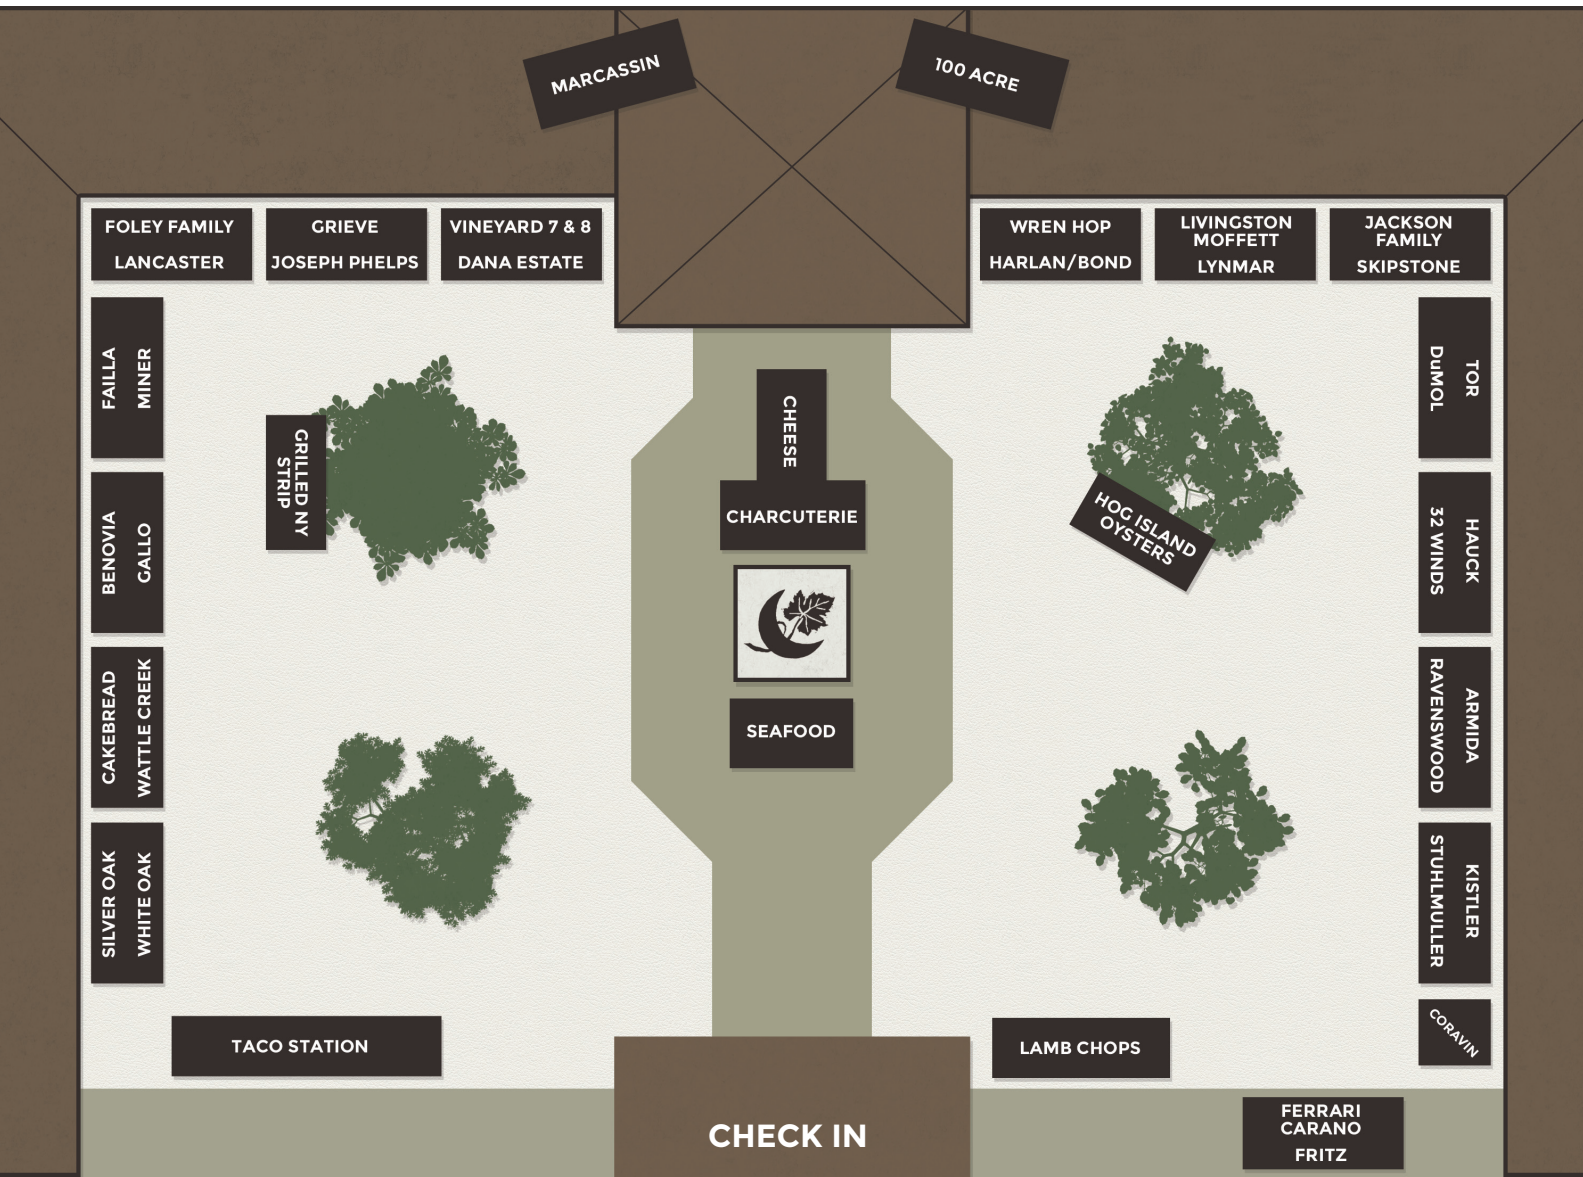

Note that some of the wines are limited and may be subject to allocation (our Members receive priority over their guests). We are also featuring a pre-sale on highly sought after wines. This is your best opportunity to purchase these wines before the rest of the country. Pre-sale wines and delivery date is indicated on the front of the order form.

Please take the time to carefully fill out your order form. Please note that we collect orders through the end of May and begin filling those orders the first of June. The first orders should begin arriving around June 12 and all May orders will be filled before the end of June. We are happy to put the wine in your locker or have it shipped. If your locker is full, we can store your wine free of charge to our Members at Wine Country Shipping. These wines can be retrieved and placed in your locker by giving us a 72-hour notice or we can have it shipped to you at a later date.

For orders that are shipped, we monitor weather conditions throughout the summer and we will only ship your wine when it is safe to do so. If you need your wine immediately, we can arrange next day air at prevailing rates.

On behalf of the Management and Staff, I thank you for participating in this year's event.

Cheers,
 Jeff McCarthy
