Dear Members and Guests,

Welcome to our 13th annual All Vintner Pour 2017. This event provides a great opportunity to taste limited production wines and fill your lockers and cellars with this year's treasures. The release of many of these wines will take place at our event and you will be among the first to taste these wines. Since some of the wines are limited, they may be subject to allocation, and we will respectively give our Members priority over guests. We are also featuring some pre-sales on some highly sought after wines and this is your best opportunity to purchase these wines before the rest of the country. Most of these pre-sale wines are scheduled to arrive in September 2017 and you will be notified when the wines arrive, prior to being shipped or placed in your locker.

Please take the time to carefully complete your order form. To ensure accurate delivery of your order, your contact information must be legible. Orders placed before June 1, 2017 will be shipped/fulfilled during the first two weeks of June. Orders received after June 1, 2017 are subject to a short delay as we will need to procure these extra wines from the vintners.

We are happy to ship your wine or have it placed in your wine locker. If your locker is full, we can store your wine purchase, free of charge for our Members, for up to three months at Oeno Vaults. Charges for wine stored over three months may apply. Wine may be retrieved by giving us a 72-hour notice and placed in your locker or shipped. We pay strict attention to the weather conditions throughout the United States and we may hold your order until it is safe to ship.

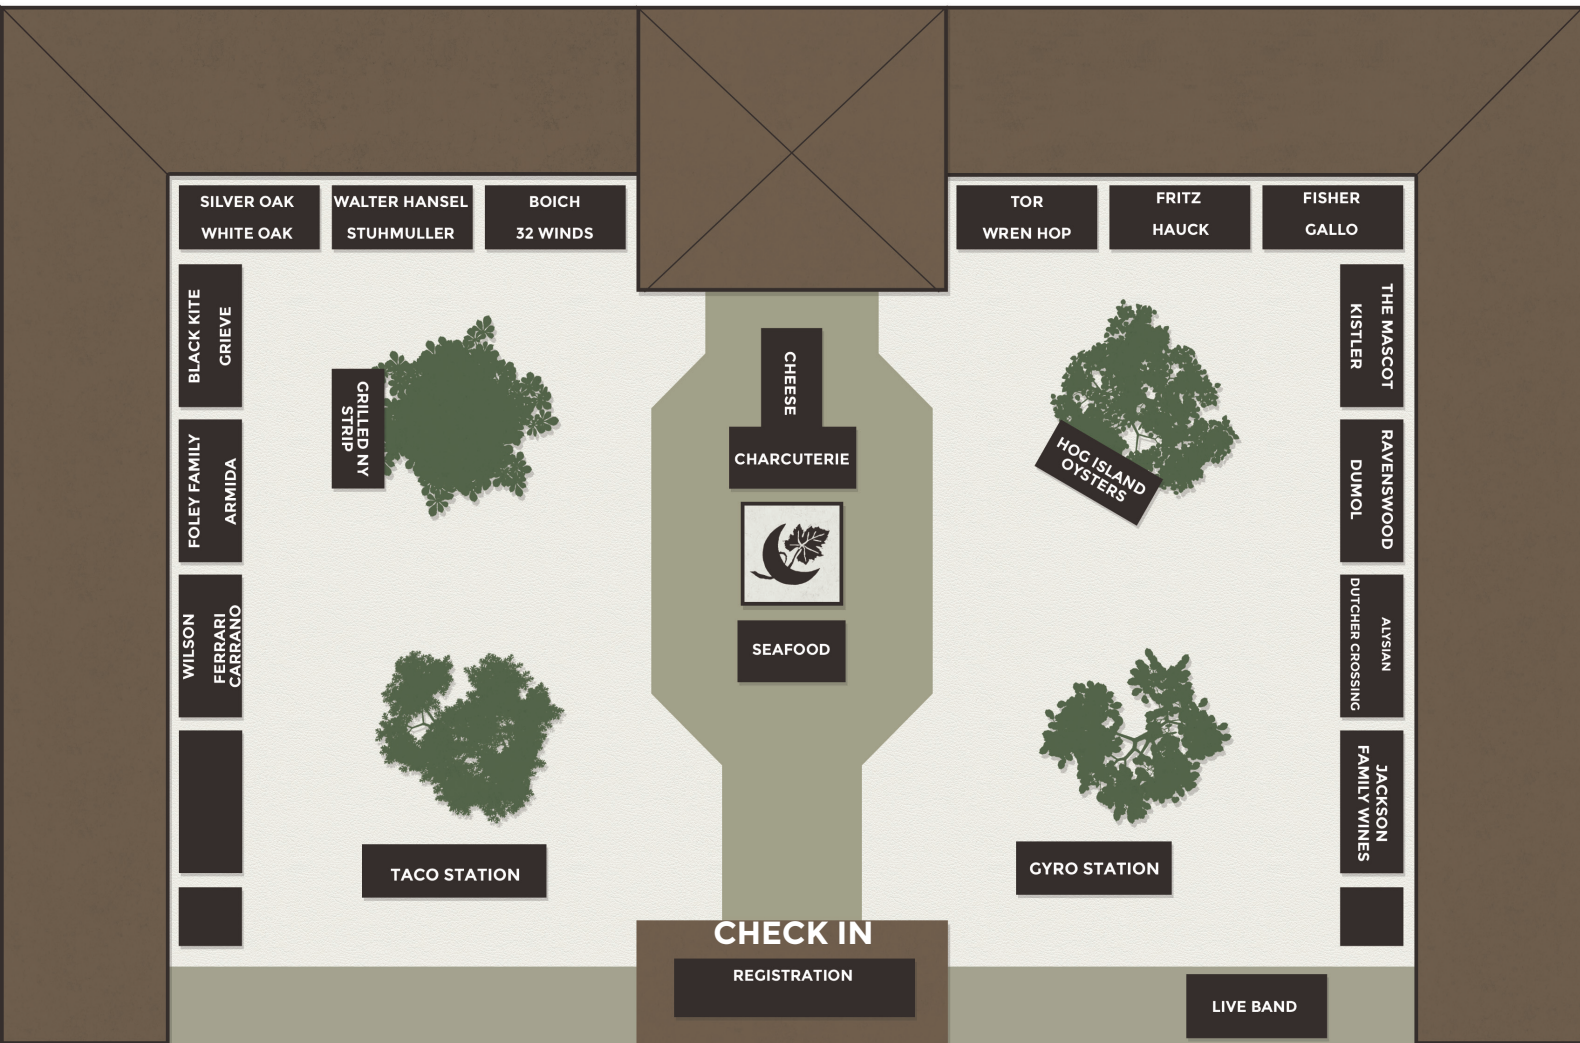

For guests who wish to purchase wine, please provide your address, email, and telephone number. Prior to fulfilling orders, we will be in contact with you to confirm your order and to request credit card information for payment.

On behalf of the Mayacama management and staff, I thank everyone for participating in this year's All Vintner Pour!

Cheers,
 Jeff McCarthy
