

To the Mayacama Membership,

The past 4½ years have been some of the most memorable and formative years of my life, not only professionally but personally as well. For that, I have all of y'all to thank. I have cherished these past 4½ years and will remember all the great memories. I wish I had more time to thank everyone individually, but wish everyone the best during these trying times. We will all come out stronger than before just as we have had in the past. I just want to thank everyone for the opportunities and experiences these past couple years and hope to see everyone sooner rather than later. I look forward to the challenges ahead and promise to represent Mayacama the best that I can. Until next time....

All the best,
L. ~~Hadu~~ ~~Statto~~
