

PAC-12 MEN'S GOLF CHAMPIONSHIP
Mayacama Golf Club
April 25-28, 2021

VOLUNTEER INFORMATION

We thank you for your interest in serving as a Volunteer for the Men's PAC-12 Championship. Volunteers are an integral part of any Championship, and your participation will play a key role in our success. These players are excited to be here, especially after the cancellation of the 2020 Golf Season. The Conference Championship is always the highlight of their College Career and we thank you for welcoming these great players to our Club, and for playing such an important role in the Championship.

We have two unique opportunities for you to participate as a Championship Volunteer, both of which will take you inside the ropes and play an active role in the Championship. Each volunteer will receive a Pac-12 Volunteer Uniform Package and lunch each day that you work.

WALKING SCORER

As a walking scorer, you will be assigned to walk with a group of three players for their 18-hole round. Following each hole, you will enter each player's score into an electronic scorecard (tablet), which is then transmitted to Golfstat for live scoring updates on their scoring app. You will be issued a radio for direct communication with Golfstat. Each group will also be accompanied by a Rules Official/Referee who assists with any Rules of Golf issues that may arise.

SPOTTER

Spotters are an added benefit and will be located on several holes to assist players with locating their golf ball and help to decide questions of fact and identify specific "spots" where errant shots may have crossed the edge of a penalty area or a boundary edge.
