Mayacama Kids Camp & Tween Camp

This year Mayacama's Summer Camp is better than ever with unique week-long themes including, "Experience Mayacama" and "Mini Mudder Camp". These two innovative camps and modified formats will provide a new and exciting experience to the Mayacama kids and tweens! For each week, we will have two separate groups, 5-7 year olds and 8-12 year olds. These camps will include age appropriate challenges, activities and games. The two age groups will interact at various times but they will also encounter their separate adventures throughout the camp.

Since this may be a young child's first camp experience, we make an extra effort to provide a relaxed environment where a camper can safely develop new skills, explore diverse interests, and make new friends.

Our all-inclusive summer camp program includes group lessons in tennis and golf, daily lunch and snack, educational experiences, exciting surprises, a camp shirt and much more!
